I'm studying in Pamantasan ng lungsod mg Muntinlupa taking up Bachelor of Science in computer science 2nd year. My expectations in this subject are so hard because it's all about programming, i have experience in programming but I'm still not confident in my skill so I study hard to learn new things. I see myself 5 years from now as a good IT technician because I graduate in Pamantasan ng lungsod ng Muntinlupa.
